

Day 6 — Submission pack (what to send to client)

What you will show (demo script: 3 minutes)

1. **Import leads (Day 1)**

Upload CSV → table fills.

2. **Connect Gmail (Day 2)**

Click Connect → Google → "Connected as ...".

3. **Upload PDF + test email (Day 3)**

Upload `presentation.pdf` → Send test email → show email in Inbox/Sent.

4. **Bulk campaign (Day 4)**

Select 2 leads → Send campaign → log shows `sent` / `failed` / `skipped`.

5. **Polish & export (Day 5)**

Search/filter leads → Export leads CSV and campaign log CSV.

Screenshots to attach (recommended)

- Dashboard showing **Gmail connected + PDF uploaded**
- "Send test email" success banner
- Campaign send log with at least 1 `sent`
- Exported `campaign-log.csv` opened in Excel

Files you deliver

- Codebase: `scratch/singing-bowl-outreach`
- Docs:
 - `docs/DAY2-GMAIL-SETUP.md`
 - `docs/DAY4-CAMPAIGN.md`
